

Pizza Plus began as a family-owned and operated restaurant in 1995. Adding a family oriented, Guest friendly atmosphere and quality ingredients to an already successful Italian eatery, owner-operator Jerry Davenport quickly turned Pizza Plus into the most successful pizza restaurant in Tremonton, Utah.

The Tremonton location is now operated by Justin, Jerry's youngest son.

Since the first restaurant in Tremonton, the Pizza Plus family has grown to include restaurants in Hyrum, Smithfield, and Brigham City.

Jeffrey Davenport, another of Jerry's sons, chose Hyrum as the family's second location. Opening in 1999, the Hyrum location now serves the growing population of south Cache Valley. The Hyrum location demonstrates the Davenport family commitment of maintaining a family friendly atmosphere and outstanding Guest service.

The third location opened in Smithfield in November of 2005. Jeffrey had been looking for a location in Smithfield since his first store opened in the South Valley, and found it downtown. After five years of operation, Jeffrey moved the restaurant to a larger space on south Main Street. With the revitalization and growth of Smithfield, the Pizza Plus family hopes to become a part of Smithfield history.

The most recent location opened in Brigham City in the fall of 2010. As a non-Davenport owner, James Kunzler became the first Pizza Plus franchise owner. The Brigham City location broadened the company's reach to the south end of Box Elder County, enabling the already-hooked fans of the area to more often enjoy the Famous Cheese Breadsticks and pizza.

All of our locations offer dine-in, carry-out and delivery service. Since each location is independently owned and operated, each adds its own unique personality and variations to the Pizza Plus family. Even so, all maintain the commitment to high-quality products, Guest service and a family-friendly atmosphere. We invite you to visit any of our locations, and

Taste the Difference that Quality Makes.
